

A Forever Friend

A forever Friend is my God and Jesus is His name.
He is with me every hour and His benevolence stays the same.

He knew me before I was born and He'll know me in Heaven too.

He knows when I'm tired and weak, He knows when I don't want to pull through.

This Friend is always there to hear everyone of my concerns...

He patiently listens to the things my heart claims to yearn.

I love my dear Lord because He's there for me and He's true.

I have a forever Friend that will never leave because of what I say or do.

He cares for me more than anyone else I know,
this intimate Savior takes time, to delicately watch me grow.

My forever Friend is mine, and Him will I always keep.
My forever Friend means so much to me that no sacrifice is ever too steep.
