

## A Place

A place, a place that brings me closer to You:  
where I'm not pretending, where my heart is true.

No more playing games but coming to realize  
my time must not be wasted looking through a carnal set  
of eyes.

I need to have my heart bleed and yearn for more of  
You,  
not searching this world for pleasures that keep  
eternity out of view.

I want You King and I need more than a touch.  
I need a complete makeover on my heart, Your Godly  
principles I must clutch.

It's time to change and start over again.  
I need to go to a place where I no longer desire sin.

So how do I find that place? Where do I go?  
I must read Your Word faithfully, apply It and continue  
to grow.

And I must not forget to pray, fast and attend church.  
These are the first steps in my heart successfully  
completing its search

in finding that place where I am obedient to Your will.  
A place that will sustain me much more than any sinful  
thrill.
