

## **Be At Peace with God's Will Despite the Circumstance.**

Be at peace with God's will despite the circumstance,  
He knows about what's happening, ignore the enemy's dance.

The executioner may chuckle as he hears about your pain,  
you may feel anxiety rise when unrighteousness declares its  
reign...

Be at peace with God's will despite the circumstance,  
He knows about what's happening, be strong and maintain your  
stance.

Although you feel uncomfortable in your current state,  
don't be lured away by deadly, seductive bait...

Be at peace with God's will despite the circumstance,  
He knows about what's happening, don't give Sodom a second  
glance.

If you are sick in your body, to the point you wish you would  
die,  
or life has had so many struggles, you don't have the strength  
to cry...

Be at peace with God's will despite the circumstance,  
He knows about what's happening, allow His Comforter to advance.

Maybe you're tired of fighting, and you're ready to quit,  
the enemy's persistence is persuading you to bow down and  
forfeit...

Be at peace with God's will despite the circumstance,  
He knows about what's happening, the gates of Hell don't stand a  
chance.

Heaven will be our home for the rest of eternity.

Fight the good fight dear soldier, whatever the circumstances  
may be.

Be at peace with God's will despite the circumstance,  
He knows about what's happening, let your faith and trust in Him  
enhance.
