

Come Close to Him

Come close to Him for you're His beloved design.
He has your has your salvation and welfare in mind.

Don't run away or make friends with the past.
Jesus is your source of treasures that are vast.

He wants you to know you're perfectly made
to join His spiritual army: an eternal brigade

of imperfect humans who had a change of heart.
People who decided to make a new start.

Though scarred, afraid and sometimes confused
they are willing to yield to God as servants to be used

to draw others into His kingdom beyond compare.
Through prayers and patience they usher many there.

"Come close to Him" these servants say.
"Come close to Him, I'll show you The Way.

I know the road may seem rough, but I escaped.
Deception's hold on me Jesus did overtake.

So come close to God, it's a struggle I know.
But Jesus helped me through it and now He's helping me
grow."

So let go of narrow thoughts and the accusations of
your past
and come close to Jesus. Receive what your heart's
attempting to grasp.
