

Congratulations, You Survived!

Congratulations you survived and I am very pleased with you.

You stumbled and fell but repented and sought Me with a heart that is true.

Now you're eager to join the team and do your share in this race.

That's right My child, continue to move forward and don't allow shame to cover My grace.

Remember I alone am your judge and it's Me you should please.

If others criticize your efforts, let your passion increase 60°.

As you travel on this journey, know My love for you is dear.

Stay in communion with Me, keep our relationship sincere.

Congratulations! You survived. You did not play the victim to sin.

Remember no matter how badly you've fallen, repent, and start again.
