

Detoxify Me from Church

Detoxify me from church Lord, for I came to the Cross
for You--
not to become bogged down in all there is to do.

Jesus I need Your comfort, Your solace, joy and peace.
I need to remember my First Love and tell the religious
overdrive to cease.

My mind is made up. I am committed. I will do my best
to permanently dwell in Your presence and be free from
church stress.

I should not live life burdened, busy and obsolete
by being too consumed with working rather than sitting
at my Master's feet.

All the extra weight has got to go; I cast my cares
upon You.
Your mighty power will show and with joy I shall pull
through.

And best of all, You get to have me--Your child--back
again.
No more unnecessary chores to pull me from Your hand.

Here am I Lord, the child that finds pleasure in You.
I won't be dragged astray by having too much to do.

So let's sit and talk over a loooooooooooooong cup of
tea.
Here's a toast to us, our relationship, and life
abundant and free.
