

## Focus

Focus young lady and keep your mind on GOD.  
Don't let this world distract you, the enemy deserves no  
applaud.

Don't look at his luxuries, his deceitful, lustful treats.  
They are wicked facades, & evil deceptions inclined to trap  
your feet

and steal from you the glorious kingdom Jesus has prepared  
above  
for those who escape all the Tempter's lies and give God  
all their love.

Don't look away or close your mind, this poem is directed  
to you.  
Escape from this wicked generation, focus on what you're  
called to do.

You're called to do God's will with singleness of mind and  
steadfastness in  
your heart.

Avoid the traps you clearly see and work hard to depart

away from your sinful flesh that lures you toward false  
gain.

Avoiding spiritual wisdom only leads to frustration, sorrow  
and pain.

Focus young lady, focus and keep your mind astute.  
Focus on Jesus our Savior, of His will be in whole-hearted  
pursuit.

Focus young lady, focus, and keep your eyes on Him.  
Focus young lady, focus, don't allow your light to dim.
