

Gird Thyself

Gird thyself, get ready, get ready, it's time to run.
There is no mistake in the Word, backsliding shouldn't
be done.

As we see the soon coming of our King drawing near
we must be prepared with the balance of our sins clear.

There is no time to make room for one more fatal flaw.
We must not play around or let our Holy Ghost power
fall.

So stop getting attached to the world and know that
it's time to preserve.
The news is confirming God's Word so let's be of good
cheer.

Listen here Lot's wife: you don't have room for sin.
Let go of that detestable world, run forward and don't
give in.

Gird yourself for this race, you cannot compromise.
Gird yourself for this race, He's coming quicker than
you realize.

Come on, let's go, get ready to run.
Run for your life. This era is almost done.

Gird yourself.
