

Give the Devil Your Little Toe and He'll Take Care of the Rest

Yes come here, I have something to say,
darkness wants you and it won't let you slip away.

It will start by asking you for a piece of your mind
and before you know it you're spiritually blind.

Unaware of how to discern the good and the bad
you'll think you're doing well when actually your
condition is sad.

Don't give the enemy anywhere to rest.
Kill him instantly before you become a mess.

A mess on its way to Hell...
Why? Because you permitted darkness a place to dwell.

A place to dwell somewhere in your heart and mind
tangling you in its deception, forbidding its cords to
unwind.

Nope, it wants to keep you trapped and bound
because you give spiritual darkness a place to hang
around.
