

Hallelujah! The Horses Are Here!

Amen. Glory be to God and let's bring praises to His name.
For He has kept us thus far—we've survived the ark ride and the rain.

It's time to continue to run and make our boasts in our King.
The tribulation to come will bring a great amount of suffering.

But we will not be afraid for our God we do love and know.
We will not be corrupted by flatteries nor disallow our convictions to show.

The horses are here! The horses are here! Let's get ready to run!
The horses are here! The horses are here! Hallelujah! Salvation!

We are waiting for You oh Lord, the One we love and serve.
We are waiting for You oh Lord, we won't compromise or lose our nerve.

Oh precious King we seek You and we desire to see Your face.
Oh precious King we need You and we refuse to disdain the taste
of the glorious virtuous power You have given to me,
the power to withstand the spew and lies of the enemy.

Show us our generation and to them we will speak.
We will speak to the kings of this world and Your message we won't tweak.

Our King is coming! Our King is coming! Let's get ready run!
Our King is coming! Our King is coming! Look at what he has done:

He has given us power, yes, POWER to you and me.
He has given US power and He EXPECTS victory.

So God as we look for Your sweet arrival I do want to say,
that You're the sweetest delight of whom I'm glad to obey.

Hallelujah! Here He comes!
