

## In the Middle of the Night

Old serpent, you try to creep in and tell me I want something I never had.

You deliver sipped up feelings and try to push me toward worldly fads.

I used the right artillery this time as I did not look, become intrigued or pout.

I prayed, had faith, and gained the strength to cast those demons out.

Thank You Lord for what You have done for me.

Because of Your grace I have a testimony.

The One true God is above all the idols of this world. Jesus has given me strength and peace despite what evil has hurled.

In the middle of the night I can hold my peace.

for I have grown in strength despite the raging of the beasts.

Thank You Jesus!
